Dear Classmate,

As unbelievable as it seems, it was 50 years ago in June that we left the halls of Woodrow Wilson High School and went out into the world – a group of rather naive 17 and 18 year olds seeking life's next adventure.

Many things have changed since those good old days. We used to worry about acne, now we fret about arthritis. We used to long for a perfect body, now we are delighted if everything works. We are fifty years older, hopefully wiser, possibly a little heavier, probably a bit grayer, but we are still here and going strong.

In many ways, large and small, our time at Wilson High School formed who we have become. The Fifty Year Reunion is a time to reunite with those who shared our high school experience. It is a time to share memories.

The evening will not be complete without your presence, so please respond as quickly as possible to confirm your reservation. If you can locate any of the people on the “Missing” list, we would appreciate the help. We want to notify everyone so they have a chance to attend. You’ll be missed if you don’t attend, so come and help make our 50-Year Reunion one to remember.

See you there!
